Complaint

1. I reported an issue to the NGA Police about Fairfax County Police accessing National Geospatial Agency cameras and their systems and there being an issue in the apartment building where I live at in Mclean, Virginia in which Fairfax County Police Department was investigating with the apartment buildings office.
2. Once I reported the issue to the National Geospatial Police they started harassing me. They threatened my work badge and turned it off while I was on LWOP for approved reasons due to health issues. The National Geospatial Agency Police found out about my ancestry and ethnic descent and they have been saying racial things to me about my race and skin color. I have been discriminated against based on my racial background. They found out who was in my ancestry line and they have been harassing me at work and my home in various forms of harassment which will be explained in detail along with the events.
3. I want Fairfax County Circuit Court to hear my lawsuit case against the National Geospatial Agency and the NGA Police Department for Racial Discrimination, Ethnic descent and Skin Color Discrimination, Physical features, Employment Harassment, Civil Harassment, Defamation of Character, Malicious Prosecution (Facial Recognition and Camera Surveillance), Sexual Harassment, Wrongful Termination, Whistle Blower, and Personal Injury- Emotional Harm and Distress. I want to file a lawsuit in Fairfax County Circuit Court for \$500,000,000 (\$500 million dollars) against the National Geospatial Agency in Springfield, VA. Address: 7500 GEOINT Drive, Springfield, VA 22150.
